

May 8, 2020

Dear Park's Edge Preschool Families,

I am excited to announce that Park's Edge Preschool's Summer Programming for children ages 4 and up is finally here! We have had to make a few minor adjustments in the way we organize our summer field trips due to Covid-19. Therefore, we have decided to keep the PEP minibus parked this summer and have our field trip fun 'in-house'; 'safe at Park's Edge...your child's 'home away from home'!

Our summer planning has been focused on a new exciting adventure theme for each week that is affordable. I think you will agree with me 2020 is going to offer children an active summer that is healthy, safe, and fun for all...staff too!

To be able to make it economical for all to participate, we are charging an activity fee of \$50.00 per child for the entire summer for in-house field trips. Whether your child(ren) is here for one month, or all three, the '\$50.00 summer activity fee' for 2020 will be charged through tuition express for every child age 4 and up. **We will be pulling the activity fee on Friday, June 12.** Unfortunately, we cannot prorate or refund the summer activity fee under any circumstances.

To reserve your child's summer enrollment at Park's Edge Preschool please call (414)427-9561 or email both [ellen@parksedgepreschool.com](mailto:ellen@parksedgepreschool.com) and [kristin@parksedgepreschool.com](mailto:kristin@parksedgepreschool.com) by **Friday, May 29<sup>th</sup>**. If you have any questions please call me or Kristin Burr, Assistant Director. Thank you for your patience, support, and encouragement. We look forward to reconnecting with you and your family very soon...we miss you!

Sincerely,  
Ellen M. Kvalheim, Director
